COLUMBIA GORGE	Columbia Gorge follows the Oregon State RMT test schedule (see www.sbe124.org).
----------------	--

One originator for the entire state in February, April, July, and October.

¹ The May RMT will be part of Pierce County's annual lahar test. (1st Tuesday of the month, 10 AM, Central Puget Sound area.)

² The day-night order for September and October is reversed so the October test can run as part of the Great Shakeout.

³ The October test will be part of the Great Shakeout earthquake preparedness drill.
(it will be scheduled on the third Thursday of the month at the date time (10/17/2013 = 10:17 AM))

* The March and October tests for Columbia Basin coincides with the Columbia Generating Station semi-annual tests of emergency sirens, tone alert radios, and ETNS to meet FEMA requirements.

* Nighttime tests: Local sunset to 8:30 AM Daytime tests: 8:30 AM and local sunset

* Exact times are shown. This will help traffic, programming, and operations departments prepare for the incoming tests.

* This schedule deviates from the originator schedule in the state plan so that local areas are not responsible for all nighttime tests.

* Broadcast stations and cable systems have 1 hour to forward an RMT after receiving it.

* Nighttime tests are not scheduled in the middle of the night in consideration of ...
 people with weather radios will not be disturbed by their radios being activated by an RMT.
 people who are alerted by the NWS tone alert system.

* No tests scheduled at 11AM on Tuesdays due to the regular EMD weekly test.

* No tests scheduled at Noon on Wednesdays due to the regular NWS weekly test.

* No tests scheduled on Sundays to eliminate the problems caused by broadcaster's weeks starting on different days.

* Columbia Gorge schedule determined by the Oregon RMT schedule

* Inland Northwest, North Central, Okanogan prefer to test on different days
